**Santa Barbara County Skilled Nursing Facilities (SNF)**

*A Skilled Nursing Facility (SNF) is a facility that is required to provide continuous (24-hour-a-day) nursing supervision by registered or licensed vocational nurse. Commonly referred to as "nursing homes" or "convalescent hospitals", these facilities normally care for the incapacitated person in need of long or short-term care and assistance with many aspects of daily living (walking, bathing, dressing, eating, etc). SNF's provide medical, nursing, dietary, pharmacy, and activities.*
